

NATIONALLY RECOGNISED TRAINING

CPP41319 Certificate IV in Swimming Pool & Spa Service

OVERVIEW

Note:

Pre-requisite: Completion of the CPP31218 or CPP31212 Certificate III in Swimming Pool and Spa Service

This is a qualification for people working in the swimming pool and spa service sector. It applies to pool and spa technicians in the field who apply analytic and problem-solving skills to treat water quality problems, as well as install, service and repair the key systems and components of domestic, commercial, and public swimming pools and spas.

UNITS OF COMPETENCE

This qualification requires the completion of 20 units of competence made up of 8 core units plus 12 elective units. The following combination of units are recommended to meet the required training and employability outcomes.
